OLAYINKA HAKEEM BABALOLA

President, Rotary International - RY 2026-2027

JULY 2026

Rotary has a way of surprising you.

It surprises you when a stranger across the table becomes a lifelong friend. It surprises you when a small project in one neighborhood ripples outward in ways you never imagined. And it may surprise you when you realize that the person Rotary has changed most ... is you.

That is why this year, we are called to harness the change within ourselves, to look to the future, and to Create Lasting Impact.

Now, I want to be clear about what those words mean. Change is only the beginning. Impact is what endures. We must think of the long-term impact of every project. How can a new water system contribute to the long-term health of a community? Can residents help other communities build their own? How can a new classroom be part of a wider strategy to improve education in the area? That is the sort of thinking we need.

As we prioritize impact, we must also consider how our actions can contribute to peacebuilding. Peace does not happen by accident. It must be built deliberately and strategically. As you plan your next project, ask yourself: "How does this create the conditions for peace?" Consult the Pillars of Positive Peace to learn how we can bring the world one step closer to peace in everything we do.

The more you change your community and the world, the more you will change. Don't just tell people about the projects you have run or the funds you have raised. Tell them how Rotary has shaped who you are. Those personal stories open doors, inspire new members, and remind all of us why we are here.

Storytelling is also an excellent way to recruit new members and raise funds. We need more people standing with us and more resources if we are to end polio, spread peace, and have a lasting impact on the world. We have set a goal of increasing membership to 1.25 million Rotarians and more than 125,000 Rotaractors by 2030, just in time for Rotary's 125th anniversary.

Sit down with your club and look back over your accomplishments in the last few years. Find your best year. Maybe it was a record year for new members. Maybe you reached a fundraising milestone. Maybe you completed a project that the whole community is still talking about. Once you find that year, I challenge you to do better than your best.

In these ways and more, we will Create Lasting Impact across the globe, in our communities, and in ourselves.

Thank you, my dear friends. Now let's get to work.

SECRETARY'S REPORT

JOAN MAE M. MARILAO
Secretary

Good day Fellow Rotarians,

As we officially commenced our Rotary Year 2026-2027 after taking our Oath last July 11, 2026, our Club has already realized at least 6 of the 13 Mandatory Goals for the Club Excellence Award. We also started the Year with a Big Bang as we conducted our First Community Outreach Program last July 1, 2026 at Sta. Monica Child Development Center in connection with the Rotary New Year Celebration. We are also proud to announce that our Club already settled the Rotary International (RI) Dues and other District Fees, amongst the first to pay. Congratulations to all of us and good luck!

MARIA THERESA UNGSON
Club President

Happy Rotary New Year to all! Let me share with you Rotary International's 2026-27 presidential message and theme "Create Lasting Impact" that was introduced by Rotary International President Olayinka H. Babalola. This message encourages members to turn strong connections into collective action to deliver sustainable, meaningful change both locally and globally.

RI President Babalola emphasized the need to unleash change within ourselves first that will lead to changes in our clubs, districts, and the communities we serve. Also, our messages should be aligned with Rotary's Action Plan. We are also encouraged to use the theme to tell compelling stories about service projects and build long lasting community legacies.

This Rotary started with a blast through the conduct of the District Community Project that orchestrated combined efforts of Rotary Clubs of District 3860 on July 1, 2026 at the Ciriaco Elementary School, Brgy. 74-A Shrine Hills, Matina, Davao City. It was indeed a successful endeavor where Rotary Club of Buhangin Davao actively participated. Let me take the opportunity to express my heartfelt appreciation to our District Membership Coordinator for Davao and Davao Sur PP Jerson Dedel and our Club Secretary Joan Mae Marilao who participated in this new year project! PP Jerson and Sec Joan, together with Director Raul Salem also spearheaded RC Buhangin New Year Celebration at the Sta. Monica Child Development Center where educational and art materials were donated by the club.

To RC Buhangin Davao (all members) thank you very much! Everyone contributed to the 2 events on July 1!

More action coming for RC Buhangin as we prepare for our Governor's Club Visit and Induction and Turnover Ceremony on July 10, 2026. The Main Event is on July 11, 2026 at the Roadway Inn. Let's all buckle up for these 2 coming Main Events on July 11!

On July 18, 2026 is another District activity, the "District Brigada Eskwela" that is still being arranged so let's get ready for another coming District activity.

"Together We Rise!"

ROTARY INTERNATIONAL & DISTRICT 3860 UPDATES/NEWS

August is Membership and New Club Development Month

WHY I JOINED ROTARY? Let's share your story...

AUGUST IS MEMBERSHIP AND NEW CLUB DEVELOPMENT MONTH, when Rotary Clubs, around the world focus on membership in Rotary.

Does your club have a plan? Are you executing your own plan to invite your friends and business associates to join your Rotary Club? There are many ways to join in the celebration, but here are a few activities to get you started:

- **Say it loud, say it proud!** Let everyone in your social network know that you are a proud member by changing your Twitter and Facebook profile to the [I'm a Proud Member](#) or [I'm a Proud Interactor](#) graphic. Copy and save the graphic as your profile picture for August.
- **We Are Rotary.** Using the hashtag #WeAreRotary, post photos to Facebook, Twitter, Instagram, or Vlog of your club members at work in your community or abroad to show how Rotary makes a positive impact in the world.
- **Making a difference.** Rotary clubs are known for the high-impact service projects they undertake locally and globally. Share stories about your service projects and how they improve lives on [Rotary Showcase](#). Be sure to follow us on [Facebook](#), [Twitter](#), and [Instagram](#) to see what Rotary members around the world are doing to celebrate Membership Month.
- **What does Rotary mean to you?** Rotary members have pushed polio to the brink of eradication, delivered clean water to those in need, improved their local communities, provided scholarships to the next generation of peacemakers, and continued to do good in the world.

Each Club is encouraged to share ONE (1) story why he/she joined the Rotary:

CLUB UPDATES

As we celebrate the Rotary New Year this July 1, our Club participated in the District Community Outreach Program held at Ciriaco Elementary School, Barangay 74-A, Matina Shrine, Davao City. On the same day, the Club conducted its own community outreach program at Sta. Monica Child Development Center. RC Buhangin turned-over educational toys and served buns and bottled water.

Last July 9, 2026, the Club attended the 2nd Area Coordination Meeting (ACOM) held at RC Calinan Club House. Secretary Joan Mae Marilao and District Membership Coordinator Jerson Dedel represented the Club.

At last, after a month of preparation, the Club had its Official Governor's Visit last July 11, 2026 at Roadway Inn, Bajada Davao City. All Members of the Club, headed by President Terry Ungson attended the event. District Governor Arlene Adlawan made some recommendations for the Club to achieve its goals.

During the lunch break, the Club handover a Wheelchair to a PWD. This is an Annual Signature Project of the Club that aims to help less fortunate persons with disabilities to be more hopeful of their lives in spite of their conditions.

Later on the same day, the Induction and Turnover Ceremony followed. Immediate Past President Christine Joy officially handed-over the responsibilities to President-Elect Terry. Club Officers and Board of Directors also took their respective oath as they committed to help accomplish the Club's vision and mission in serving the community above self.

Indeed, it was a very successful day as the Club completed not one but three programs, The Governor's Visit, Induction and Turnover Ceremony and the Signature Project
