GLOBAL PERSPECTIVE

PRESIDENT'S MESSAGE

Francesco Arezzo
Rotary International President

Rotary International President Francesco Arezzo opened the Taipei Convention by expressing gratitude to Taiwan and the Host Organization Committee, emphasizing that Rotary's greatest strength is its unity, fellowship, and shared commitment to service.

Reflecting on his year as President, he highlighted three priorities: growing membership, advancing peace, and eradicating polio. He celebrated Rotary's membership growth, the opening of a new Rotary Peace Center in India, and renewed global efforts to build peace through community action.

Speaking passionately about polio eradication, President Arezzo shared the heartbreaking story of a child in Pakistan left paralyzed by the disease, reminding Rotarians that every child deserves a future free from polio.

He concluded by encouraging members to keep dreaming and serving together, comparing Rotary to The Magnificent Seven, always standing beside communities, helping them rise, and moving forward to make an even greater impact. "Rotary needs dreams," he said, "because dreams inspire action and keep hope alive."

DISTRICT'S VISION

Angel "Jong" Fernandez, Jr.
RI District Governor

A Year That Changed the Game

As Rotary Year 2025-2026 came to a close, District Governor Jong Hernandez reflected on a year defined by service, growth, and unity. What began with a vision ended with a legacy shaped by dedicated Rotarians, Rotaractors, Interactors, partners, and donors across District 3860.

The Rotary New Year celebration in Dumaguete provided a fitting finale. Hosted by Area 1G & H, the evening welcomed the new Rotary year with the induction of four satellite clubs, expanding Rotary's reach and creating even more opportunities to serve communities.

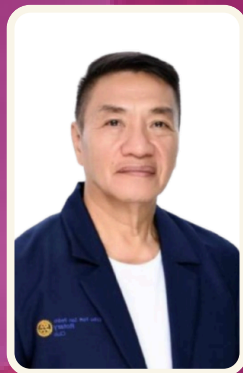

The celebration also marked a historic achievement as District 3860 surpassed the US\$1 million milestone in giving to The Rotary Foundation, a powerful testament to what can be accomplished when People of Action unite behind a common purpose.

As he concluded his term, Governor Hernandez expressed his heartfelt gratitude to everyone who helped make RY 2025-2026 a remarkable success. With faith, fellowship, and service as its foundation, the district now passes the torch to a new Rotary year, carrying forward a legacy that will continue to inspire. To God be all the glory.

The Power of One Purpose

As Rotary International calls on us to "Unite for Good," we are reminded that the greatest achievements in service are never accomplished alone. They are made possible when individuals come together with a common purpose, a shared vision, and a commitment to creating meaningful change.

This global message aligns perfectly with the vision of Rotary District 3860, which emphasizes strengthening unity through service. It is a reminder that our impact grows when we collaborate, support one another, and work collectively to address the needs of our communities.

For the Rotary Club of Cebu Fort San Pedro, this vision continues to inspire our commitment to service above self. Every project we undertake, every partnership we build, and every life we touch reflects our belief that positive change happens when people unite with compassion, integrity, and purpose.

As we move forward, let us continue to strengthen our fellowship, deepen our commitment to service, and embrace opportunities to make a difference. Together, we can transform challenges into hope, build stronger communities, and create a lasting legacy of impact.

United in purpose and guided by service, we remain committed to doing good and inspiring others to do the same.

ROTARY KNOWLEDGE:

Rotary Fellowships:
Connecting Members
Worldwide

One World, One Rotary Family

Every Rotary International Convention is more than a global gathering. It is a celebration of fellowship that unites thousands of Rotarians from every culture, language, and corner of the world. In Taipei 2026, members came together not only to exchange ideas and inspire one another, but to strengthen friendships built on a shared commitment to Service Above Self.

The connections made at the Convention remind us that while we come from different countries, we share the same purpose. Through fellowship, Rotary transforms strangers into lifelong friends, creating a global network that makes our service stronger, our perspectives broader, and our impact greater.

"Fellowship knows no borders. In Rotary, the world becomes family."

Did you know that Rotary offers special interest groups known as Rotary Fellowships?

Did you know that Rotary offers special interest groups known as Rotary Fellowships?

These fellowships bring together Rotarians, Rotaractors, and members of the Rotary family who share common interests, hobbies, or professions. Whether your passion is photography, cycling, healthcare, aviation, environmental protection, or public speaking, there is likely a fellowship where you can connect with like-minded individuals from around the world.

Joining a fellowship is a great way to expand your Rotary experience, build international friendships, and learn from fellow members beyond your club and district.

Rotary reminds us that service creates impact, but fellowship creates lasting connections—and together, they make Rotary stronger.

Shared Interests. Shared Purpose.

ROTARY FOCUS

THE VALUE OF FELLOWSHIP IN ROTARY

One of the greatest strengths of Rotary is the relationships we build along the way.

While service projects are often the most visible part of what we do, it is fellowship that keeps Rotary strong. Through meetings, events, trainings, and shared experiences, members develop friendships that extend far beyond club activities.

These connections create opportunities for collaboration, mentorship, and personal growth. They remind us that Rotary is not only about serving communities, it is also about belonging to a network of people who share a desire to do good in the world.

As we conclude this Rotary year, let us continue to nurture the friendships that inspire us to serve and lead.

Friendships That Serve, Legacies That Last.
