Let's carry the momentum

As my year as president of Rotary International comes to a close, I offer my heartfelt thanks to each member of our global Rotary family. Your kindness, warmth, and dedication have changed my life.

During this year, I had the privilege of traveling across our world, from San Francisco, birthplace of the United Nations, to the innovative Rotary clubs of Nigeria. In every place, I saw Rotary members and our partners working side by side to create lasting, positive change, reminding me that our strength lies in shared purpose.

That spirit leads naturally to a simple truth: Rotary is not something we attend, but something we do. We are not spectators. We act, and through that action, we transform our communities and ourselves.

As we continue this work, we must keep our focus on building conditions for peace. Rotary is, at its core, a peace machine. But maintaining that machine requires intention, commitment, and steady effort.

That same resolve is needed now as we push toward polio eradication. The final mile is often the hardest, but we cannot falter in our promise to the children of the world.

You have shown that when we Unite for Good, there is no challenge we cannot meet if we stand together. Let us carry this momentum forward with courage, compassion, and an unwavering commitment to the safety and prosperity of all.

Pres. Francesco Arezzo
RI President, RY 2025-2026

My dear fellow Rotarians of District 3860,

As we come to the close of Rotary Year 2025–2026, my heart is filled with gratitude. Serving as your District Governor has been one of the greatest honors of my life. Every mile traveled, every handshake shared, every club visited, and every project witnessed has reaffirmed my belief that Rotary changes lives—not only those we serve, but ourselves as well.

One of the most memorable highlights of this Rotary year was joining thousands of Rotarians from around the world at the Rotary International Convention in Taipei. It was a powerful reminder that while we come from different countries, cultures, and languages, we are united by a common purpose—to create hope, transform communities, and build a better world through service. I returned home inspired and even more convinced that District 3860 has so much to contribute to the global Rotary family.

As this Rotary year draws to a close, it has also been heartwarming to witness the continued growth of our district. What once began as a vision has become a movement. Together, we have successfully formed 18 new clubs—comprising Rotary clubs and satellite clubs—opening new opportunities for service, fellowship, and leadership across our communities.

Just yesterday, we celebrated the Charter Presentation and Induction of the Rotary Club of Alegria, following the recent charter presentation of the Rotary Club of Metro Dinagat Islands. Later today, we will gather once more in Dumaguete City to celebrate the charter presentations of four new Rotary Satellite Clubs. There could not have been a more meaningful way to conclude this Rotary year than by welcoming more People of Action into our Rotary family.

As I prepare to pass the torch to our incoming district leadership, my hope is that we continue building on this momentum. Continue growing Rotary. Continue strengthening our clubs through meaningful engagement. Continue supporting The Rotary Foundation with generosity and purpose. Most importantly, continue believing that ordinary people, united by a shared vision of service, can accomplish extraordinary things.

Leadership changes. Rotary continues.

At every club president, assistant governor, district officer, committee chair, Rotarian, Rotaractor, Interactor, and every member of our District 3860 family, thank you for your trust, friendship, dedication, and unwavering support throughout this unforgettable journey. Whatever we have accomplished this year, we accomplished together.

As I close this chapter, I leave you with a belief that has guided me throughout this Rotary year:

Things are impossible... until they are not.

May we never stop dreaming. May we never stop growing. May we never stop serving.

Thank you for allowing me the privilege and honor of serving as your District Governor.

Together, let us continue to Unite for Good.

With warm Rotary regards,

Angel "Jong" G. Fernandez, Jr.
District 3860 Governor, RY 2025-2026

To MY RCCGM FAMILY,

As we come to the end of this Rotary Year 2025-2026, my heart is filled with gratitude and pride for everything we have accomplished together. Despite the challenges, we still managed to make things happen.

Serving as your President has been a truly humbling and rewarding experience. This year was filled with opportunities to serve, inspire and make meaningful impact in our community. None of these achievements would have been possible without the support, dedication and willingness to put Service Above Self into action.

Together we transformed challenges into opportunities, strengthened friendships, welcomed new members and successfully carried out projects that brought hope and positive change to those we served. Every act of kindness, every hour of volunteer work & every contribution, big or small, made a difference.

I am especially grateful to end my term with the successful turn over and acceptance of our Water, Sanitation & Hygiene (WASH) Project at Tejero Elementary School. This project includes the rehabilitation of the water piping system from the source to the wash station facility and the drinking fountain/faucet, the installation of water pump to improve pressure and water storage tanks to ensure a reliable water supply, especially during daytime when water is scarce.

My heartfelt thanks to MCWD for partnering with us in making this meaningful project possible. Together, we have helped provide a better and more sustainable water system for the students and the community.

To my fellow RCCGM members, thank you for your support, hardwork and countless hours of service. Every project we completed was a testament to what we can achieve when we work together with one purpose.

As I officially hand over the leadership to our incoming President, Dorothy Borces, I do so with confidence, knowing that the club is in capable hands. I wish President Dorothy and the entire RCCGM family another successful and impactful Rotary year filled with meaningful service, stronger fellowship and even greater accomplishments. Thank you for allowing me the honor and privilege of serving as your President. It has been one of the most rewarding journeys of my Rotary life. Here's to continuing our commitment to making a difference in the lives of others.

Yours in service
