Central Davao Rotary Club | CREATE LASTING IMPACT

The Four-Way Test of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

President's Message

AAs we continued our Rotary journey in September under the theme “Create Lasting Impact,” the Rotary Club of Central Davao remained committed to service, learning, youth empowerment, and community development. This month reminded us that meaningful change begins when we use our time, resources, and collective efforts to create opportunities for others. Through fellowship, education, and community partnerships, we continued to put our Rotary values into action and strengthen our commitment to Service Above Self.

We began the month with our 4th Regular Meeting on September 7 at Rekado, where we were honored to welcome Engr. Rey Albina, Vice President of Thermodify Engineering of Airpro TESDA Training Center, as our guest speaker. His informative presentation introduced us to Airpro and its role in providing training, opportunities, and support for Filipino youth. The discussion highlighted the importance of equipping young people with the knowledge and skills they need to pursue their aspirations and build a brighter future. Through learning and meaningful conversations, we were reminded that empowering the next generation is an essential part of creating lasting impact.

Education and child development were also at the heart of our service through the Read, Feed & Grow initiative, successfully conducted on September 15 at Brgy. 19-B Daycare Center, Davao City. The activity brought together storytelling, book donations, and a feeding program to support children's literacy, learning, and nutritional well-being. Pastor Genesis Villagracia led an engaging storytelling session that encouraged the young learners to develop a love for reading while discovering meaningful lessons through stories. We are sincerely grateful to the Divine Mercy Apostles for their generous support of the feeding program, as well as to everyone who contributed their time, resources, and efforts to make the initiative possible. This project reflects our belief that every child deserves the opportunity to learn, grow, and thrive. By nurturing young minds and providing nourishment, we help build a stronger foundation for their future, one child, one story, and one meal at a time.

President's Message

Another significant highlight was our partnership with the Rotary Club of Manila Bay in the turnover of computer and printer units to Dominga National High School in Calinan on September 18. The school was selected as a beneficiary community by our very own Voice of the Youth 2026 National Champion, Clifford James Danduan. Through this initiative, 122 students from Grades 7 to 9 will have improved access to technology and digital learning tools, helping create more opportunities for academic development and digital literacy. We extend our heartfelt gratitude to the Rotary Club of Manila Bay and everyone whose generosity and support helped bring this project to life. This turnover also marked a meaningful concluding project of Rotary Year 2025–2026, "Unite for Good," spearheaded by Past President David Jude Pama. It serves as a reminder that the impact of dedicated service continues beyond a Rotary year, creating opportunities that future generations can benefit from.

Reflecting on our activities this September, we are reminded that service takes many forms. It can be found in a learning opportunity shared with young people, a story that inspires a child, a meal that nourishes a growing mind, or a computer that opens doors to a world of knowledge. Each effort, no matter how simple it may seem, contributes to building a community where people are empowered to learn, develop, and reach their full potential.

As we move forward in this Rotary year, let us continue to strengthen our partnerships, support our youth, and invest in initiatives that respond to the needs of our communities. May we remain inspired by the opportunities before us and committed to turning our shared vision into meaningful action.

To my fellow Centralites, thank you for your continued dedication, generosity, and unwavering spirit of fellowship. Every contribution matters, and every act of service brings us closer to the difference we hope to make. Let us continue to uphold our motto, "Service Above Self," and embody our Rotary theme, "Create Lasting Impact," in all that we do.

Together, let us continue to educate, empower, and uplift our communities—creating lasting impact one child, one opportunity, and one community at a time.
