Central Davao Rotary Club | CREATE LASTING IMPACT

The Four-Way Test of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

President's Message

As we continued our Rotary journey in October under the theme “Create Lasting Impact,” the Rotary Club of Central Davao remained steadfast in its commitment to service, fellowship, environmental awareness, health advocacy, and community support. This month reminded us that creating meaningful change requires unity, compassion, and the willingness to take action wherever our communities need us. Through collaborative initiatives, meaningful discussions, and partnerships with fellow Rotary clubs and organizations, we continued to put our Rotary values into practice and strengthen our commitment to Service Above Self.

We began the month with the 5th Area Coordination Meeting on October 1 at Roadway Inn, hosted by Area 2C. Rotarians from different clubs gathered to share updates, present reports, discuss important matters, and align plans for the continued growth and development of our area. Beyond the exchange of information and ideas, the meeting provided an opportunity to strengthen relationships, foster collaboration, and reinforce our shared responsibility in serving our communities. Through open communication and fellowship, we are reminded that stronger clubs are built through unity, cooperation, and a common purpose.

October also brought us together in support of a meaningful cause through Pink October 2026: Pink Walk, held on October 5 and led by the Rotary Club of Downtown Davao. Together with the Rotary Clubs of Area 2ABC, government agencies, and partner organizations, we walked from Freedom Park to Rizal Park, Davao City, to raise awareness about breast cancer, promote early detection, and show our support for women and families affected by the disease. This advocacy was further strengthened through the collective efforts of the Rotary Clubs of Area 2, which organized free breast cancer screenings, an informative awareness forum, and the inspiring Pink Runway. These activities celebrated the strength and resilience of survivors while encouraging everyone to take an active role in promoting women's health. We believe that awareness, early detection, and access to proper health information can save lives. Every step taken and every effort shared brings us closer to a healthier and more informed community.

President's Message

Learning and environmental responsibility were also highlighted during our 6th Regular Meeting at Harana, F. Torres, Davao City. We were honored to welcome Engr. Liza Mae C. Villora, Chief of the Ambient Monitoring and Technical Services Section, who shared valuable insights about the Department of Environment and Natural Resources (DENR), particularly its work in air quality monitoring, waste management, and environmental protection. Her informative discussion reminded us of the importance of understanding our environmental responsibilities and recognizing how our everyday actions contribute to the well-being of our communities. We also warmly welcomed back PP Tadashi Kanda and Spouse Maychelle Kanda from Japan. Their presence added to the warmth of fellowship and reminded us that the bonds we build through Rotary extend beyond borders and continue to strengthen our Rotary family.

Another meaningful highlight this month was the Vibrant Club Seminar 2026: Tagum-Davao-Digos-GenSan-Marbel Leg, the final leg of this year's seminar series. Rotarians from different clubs and areas gathered to exchange ideas, strengthen connections, inspire leadership, and explore ways to build more effective and vibrant Rotary clubs. The gathering provided valuable opportunities for learning, collaboration, and renewed inspiration among club leaders and members. As the final leg concluded, it also served as a reminder that the true success of a vibrant club lies not only in its activities but in the commitment of its members to lead with purpose, serve with passion, and create meaningful change. May the knowledge and connections gained continue to inspire us to lead bolder and serve stronger in our respective communities.

Our commitment to serving communities in times of need was also demonstrated through our response to the fire incident in Brgy. Leon Garcia, Agdao, Davao City. Together with the Area 2 Clubs and District 3860 Disaster Management Inc., the Rotary Club of Central Davao extended assistance by donating 250 food packs to families affected by the tragedy. Beyond providing essential supplies, this initiative reflected the compassion and solidarity that define our Rotary spirit. We hope that these simple acts of kindness brought comfort and encouragement to the affected families as they begin the difficult process of rebuilding their lives. In moments of hardship, we are reminded that service means being present, extending a helping hand, and showing our communities that they are never alone.

In support of Rotary's global mission to eradicate polio, our club also participated in PATAK POLIO 2026, held on October 21 at Talomo Central Health Center, Davao City, in celebration of World Polio Day on October 24. Together, we supported efforts to raise awareness about the importance of vaccination and protecting children from this preventable disease. Every drop of the polio vaccine represents hope for a healthier future and brings the world one step closer to ending polio for good. As Rotarians, we remain committed to sustaining this global effort and ensuring that future generations can live free from the threat of this disease.

President's Message

Looking back on our October activities, we are reminded that creating lasting impact means responding to the many needs of our communities. It means walking together to raise awareness, sharing knowledge to inspire responsible action, extending assistance to families in times of crisis, and supporting initiatives that protect the health and future of children. Each activity, partnership, and act of service reflects our belief that even the smallest contribution can make a meaningful difference when carried out with a shared purpose.

As we move forward, let us continue to strengthen our partnerships, embrace opportunities for learning, and remain responsive to the needs of the communities we serve. May the experiences and accomplishments of this month inspire us to become more engaged, compassionate, and committed People of Action.

To my fellow Centralites, thank you for your continued dedication, generosity, and unwavering spirit of fellowship. Your time, effort, and willingness to serve make every initiative possible and every achievement meaningful. Let us continue to uphold our motto, “Service Above Self,” and embody our Rotary theme, “Create Lasting Impact,” in everything we do.

Together, let us continue to walk with purpose, serve with compassion, and create lasting impact—one act of kindness, one community, and one life at a time.
