VISION

A united Rotary Club of Kankabato creating lasting impact by empowering communities, inspiring service, and building a better future for all.

MISSION

The Rotary Club of Kankabato is committed to uniting people of action to serve with integrity, strengthen fellowship, support sustainable community projects, develop leaders, and advance Rotary's ideals of "Service Above Self" while creating lasting impact in every community we serve

CLUB HISTORY

Kankabato is derived from the name of Cankabato Bay, a notable bay located in Tacloban, Philippines. The bay has historically served as an essential hub for trade and transportation in the region. Indigenous peoples originally named the area, and it was later adapted by Spanish colonizers. The bay and its surroundings played a crucial role in the cultural and economic development of Tacloban. Over time, the name evolved into Kankabato, reflecting its deep historical and geographical significance.

The Rotary Club of Kankabato-Tacloban was chartered in the year 2011. Rotarian Antolin Ofonda was elected and served as the Charter President. From 25 pioneering members, the RC Kankabato has now 19 active members, with the current Impact-Building President, Rtn. Albert P. Esperas, for the Rotary Year 2026-27 as the 15th president of the organization. This organization is composed of established professionals and businessmen with diverse characters and background who came together and believed in one goal which is to make a difference. This international organization is a non-profit and non-partisan union. Members of this club are called as rotarians. Also, they sponsor young rotarians called as Rotaractors. These inspiring rotarians believe in the inherent goodness of other people as it results to the ripple effect of kindness in the community. When we show kindness to other people, it creates a chain of reaction which causes kindness to find its way back to us.

Every Rotary Club like the RC of Kankabato-Tacloban is grounded with guiding principles which are Object of Rotary, 4-Way Test and Avenues of Service. These principles have been developed to serve as the bible for every Rotarian as they venture themselves in humanitarian acts of kindness as well as making themselves for another time a servant-leader who aims to uplift the status of the community they belong to. Rotarians of this organization initiate transformational projects not only in the region and national level but also in the international stage.

Since 2011, the RC Kankabato-Tacloban engages in several projects that are timely and relevant to the needs, issues and concerns of the society. They have conducted several projects such as distribution of school supplies and hygiene kits, bloodletting activities, raising awareness and funding to end Polio and Breast Cancer, and Mangrove and tree-planting activity. This organization also did an adopt-a-school campaign to donate facilities such as handwashing facility, books for their library and repair some old school buildings in Guindapunan Elementary School, Pawing Elementary School Baras Elementary School and Alangalang National High School and JARMS Elementary School. Moreover, donation drives and feeding programs were also conducted to send help to those victims of natural and man-made calamities such as typhoons, earthquakes, landslides, and fires. During pandemic, still the club lends a hand and do an extra mile just to be of help to the community. They have donated essential medical supplies such as medical facemasks, alcohols, vitamins and PPEs to the hospitals in the city and province. These programs may be less extravagant but it is, for the meantime necessary and beneficial.

Because of the successes of their projects, the RC of Kankabato-Tacloban is recognized not only in the local community but also in the national level. They bagged local, district awards and nominations for their community involvement. These sets of awards serve as an inspiration for them to continue to work side by side to execute action and impact through fellowship and service. As long as we are living and part of the continuous cosmic evolution, let us not forget to lend little drops of love to the less privileged. A little act of kindness, charity and generosity creates a magical effect on the heart of a person; hence, we call it as the true evidence of authentic and genuine love. The Rotary Club of Kankabato-Tacloban, as long as it breathes, will continue to shower rays of love to all people around the globe.

**ROTARY LEADER'S
MESSAGE**

Dear Family of Rotary,

Rotary has a way of surprising you.

It surprises you when a stranger across the table becomes a lifelong friend. It surprises you when a small project in one neighborhood ripples outward in ways you never imagined. And it may surprise you when you realize that the person Rotary has changed most ... is you.

That is why this year, we are called to harness the change within ourselves, to look to the future, and to Create Lasting Impact.

Now, I want to be clear about what those words mean. Change is only the beginning. Impact is what endures. We must think of the long-term impact of every project.

How can a new water system contribute to the long-term health of a community? Can residents help other communities build their own? How can a new classroom be part of a wider strategy to improve education in the area? That is the sort of thinking we need. As we prioritize impact, we must also consider how our actions can contribute to peacebuilding. Peace does not happen by accident. It must be built deliberately and strategically.

As you plan your next project, ask yourself: "How does this create the conditions for peace?" Consult the Pillars of Positive Peace to learn how we can bring the world one step closer to peace in everything we do.

The more you change your community and the world, the more you will change. Don't just tell people about the projects you have run or the funds you have raised. Tell them how Rotary has shaped who you are. Those personal stories open doors, inspire new members, and remind all of us why we are here.

Storytelling is also an excellent way to recruit new members and raise funds. We need more people standing with us and more resources if we are to end polio, spread peace, and have a lasting impact on the world. We have set a goal of increasing membership to 1.25 million Rotarians and more than 125,000 Rotaractors by 2030, just in time for Rotary's 125th anniversary.

Sit down with your club and look back over your accomplishments in the last few years. Find your best year. Maybe it was a record year for new members. Maybe you reached a fundraising milestone. Maybe you completed a project that the whole community is still talking about. Once you find that year, I challenge you to do better than your best.

In these ways and more, we will Create Lasting Impact across the globe, in our communities, and in ourselves.

Thank you, my dear friends. Now let's get to work

DISTRICT GOVERNOR'S LETTERS

Dear Rotarians, Rotaractors, Interactors and Partners in Service,

Welcome to a new Rotary year filled with renewed hope, fresh opportunities, and a shared commitment to Unite for Good. As we begin this journey together, let us remember that every new Rotary year is more than a change in leadership—it is a renewed promise to serve our communities with greater passion, purpose, and impact.

July is Rotary's Maternal and Child Health Month, reminding us that every mother deserves safe childbirth and every child deserves the opportunity to grow healthy, educated, and empowered. Through our collective efforts, we can continue to improve access to healthcare, nutrition, education, and clean water, ensuring that families in our communities experience lasting change.

This month also marks the beginning of our club goals and strategic plans. I encourage every club to focus on strengthening membership, increasing engagement, enhancing public image, supporting The Rotary Foundation, and implementing sustainable service projects that truly respond to the needs of our communities. Let us not measure our success merely by the number of activities we conduct, but by the lives we transform.

I also urge every Rotarian to become an ambassador of Rotary. Invite prospective members, mentor our new Rotarians, empower our Rotaractors and Interactors, and foster meaningful fellowship within your clubs. When we work together with trust and unity, our service becomes stronger and our impact becomes greater.

As we officially begin this Rotary year, I look forward to visiting each club, celebrating your achievements, and working alongside you in making our district more vibrant, more inclusive, and more service-driven. Let us embrace innovation while remaining grounded in Rotary's enduring values of fellowship, integrity, diversity, service, and leadership.

Together, let us make this a year of action, collaboration, and transformation. Every project we undertake, every hand we extend, and every life we touch contributes to a legacy that will endure for generations.

Thank you for your unwavering commitment to Service Above Self. I wish every club a productive and meaningful start to the Rotary year.

Let us Unite for Good—and together, create lasting impact.

Albert P. Esperas
**EXECUTIVE'S
INSIGHTS**

Dear Fellow Rotarians, Rotaractors, Partners, and Friends of the Rotary Club of Kankabato,

As we begin a new Rotary year, I extend my warmest greetings to each one of you. It is both an honor and a privilege to serve as your Club President. I am grateful for the trust you have placed in me, and I look forward to working alongside every member as we continue our journey of service and fellowship.

July marks not only the start of a new chapter for our club but also an opportunity to renew our commitment to Rotary's ideals. Together, let us embrace this year's call to action by strengthening our fellowship, growing our membership, supporting The Rotary Foundation, and implementing meaningful projects that respond to the real needs of our communities.

As we observe Maternal and Child Health Month, may we remember that even the simplest act of kindness can create a ripple effect of hope. Whether through health initiatives, educational support, community outreach, or humanitarian service, every effort we make contributes to building healthier families and stronger communities.

This Rotary year, I encourage every member to actively participate, share your talents, and bring new ideas to the table. Our club's strength lies not in the efforts of one leader, but in the collective passion, dedication, and generosity of every Rotarian. Together, we can accomplish far more than we ever could alone.

Let us continue to build a club that inspires others through integrity, compassion, and action. May we foster lasting friendships, develop future leaders, and remain steadfast in our commitment to Service Above Self.

Let us continue to build a club that inspires others through integrity, compassion, and action. May we foster lasting friendships, develop future leaders, and remain steadfast in our commitment to Service Above Self.

Thank you for your continued support and unwavering dedication to the Rotary Club of Kankabato. I am excited for what lies ahead, and I am confident that, united in purpose, we will make this a memorable and impactful Rotary year.

Together, let us Unite for Good and create lasting impact in every life we touch.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- **FIRST.** The development of acquaintance as an opportunity for service;
- **SECOND.** High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
- **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

THE 4 WAY TEST

Of the things we think, say or do

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?

It was a month filled with purposeful activities that reflected our commitment to serving our communities while strengthening our club.

July 1 - Rotary New Year & Brigada Eskwela

We welcomed the Rotary Year with gratitude and enthusiasm by participating in Brigada Eskwela at Camansihay Elementary School. July 17 - Governor's Official Visit

From 5:00 P.M. to 6:00 P.M., the club had the honor of welcoming our District Governor during the official Governor's Visit. This meaningful session provided an opportunity to present the club's plans, accomplishments, and strategic direction for the Rotary year while receiving valuable guidance and inspiration from our district leadership. The visit strengthened our resolve to align our initiatives with Rotary's vision and strategic priorities.

July 17 - 15th Induction and Handover Ceremony

MOMENTS THAT

THE PEARL PRESIDENT:

Carrying Fifteen Years of Service Into a New Era

Fifteen years is more than a milestone.

For the Rotary Club of Kankabato-Tacloban, fifteen years represents a tapestry woven from countless acts of service, friendships forged through fellowship, communities touched by compassion, and generations of Rotarians who chose to Unite for Good.

As the club celebrates its 15th year of existence, a new chapter unfolds—not as a departure from the past, but as a continuation of a legacy built by those who came before.

And at the center of this new chapter stands Albert Esperas, the newly inducted Club President, who assumes the mantle of leadership during a year that carries extraordinary significance.

He is not simply the president of another Rotary year.

He is the Pearl President.

A title befitting a leader entrusted with carrying a fifteen-year legacy while shaping the next chapter of the club's story.

FIFTEEN YEARS, ONE CONTINUING LEGACY

Like a pearl, the strength and beauty of the Rotary Club of Kankabato-Tacloban were not formed overnight. They were created through years of patience, perseverance, fellowship, and service. Every project, every partnership, every Rotarian who answered the call to serve became part of the layers that formed the club's identity. Now, Albert Esperas assumes the responsibility of adding another layer to that legacy. ut this Pearl Year is not meant to simply look back.

It is a year to move forward with purpose.

It is a year to transform fifteen years of experience into meaningful action and to create projects whose impact will continue long after the anniversary celebrations have ended.

And one of the clearest expressions of that commitment is the launch of the club's signature service initiatives:

PROJECT BRIGHT BITES AND PROJECT CLEAN HANDS

A SIGNATURE SERVICE FOR THE PEARL YEAR

In its 15th year, the Rotary Club of Kankabato-Tacloban chose to celebrate its milestone not merely with ceremonies, but with service that responds to real community needs.

The launch of Project Bright Bites and Project Clean Hands marks a defining moment in the club's Pearl Year.

These initiatives represent a commitment to nurturing healthier, brighter, and more hopeful communities—especially among children.

Project Bright Bites embodies the club's commitment to nutrition, well-being, and the belief that every child deserves the opportunity to grow, learn, and thrive with a healthy foundation.

Complementing this is Project Clean Hands, which promotes proper hygiene and handwashing practices as essential tools in protecting children and communities from preventable illnesses.

Together, these projects create a powerful message:

Healthy children build stronger communities. And in true Rotary fashion, the projects demonstrate that meaningful change becomes possible when people come together around a common purpose.

A MOMENT OF CREATING LASTING IMPACT

The significance of the launch was made even more meaningful by the presence of District Governor Arlene Adlawan, whose leadership and support served as an affirmation of the club's commitment to meaningful and sustainable service.

Her presence symbolized more than the official recognition of a project.

It represented the strength of the Rotary family—where clubs, district leaders, partners, volunteers, and communities come together to transform an idea into action.

Standing alongside the Rotary Club of Kankabato-Tacloban were its partners in service, whose generosity, cooperation, expertise, and shared commitment helped make these initiatives possible.

Because no lasting impact is ever created by one organization alone.

It takes a community.

It takes partnerships.

It takes people willing to share their time, resources, knowledge, and heart.

The launch of Project Bright Bites and Project Clean Hands therefore became a celebration of collective service—a living demonstration of what can happen when we choose to Create a Lasting Impact.

A TEAM UNITED FOR IMPACT-BUILDING

Leadership in Rotary is never a solitary journey. Behind every president is a group of Rotarians whose individual talents, experiences, and passions come together for a shared purpose.

Supporting President Albert Esperas is Mar Angelo Lim, the Club Vice-President, whose role strengthens the leadership team and helps translate the club's aspirations into meaningful action.

Serving as Club Executive Secretary is Jerico Cahayag, entrusted with ensuring that the club's plans, records, communications, and organizational affairs remain firmly guided toward excellence.

Joining the executive leadership is Anil Rani Kumar, Club Executive Director, together with Past President Elias Aya-ay Jr., Club Executive Director Assistant. Their collective experience and leadership provide the continuity necessary to bridge the club's rich history with its emerging future.

Behind the stewardship of the club's resources is Analiza Yu, Club Treasurer, while Jo Vanille Merilo, Club Auditor, provides the essential responsibility of accountability and financial integrity.

Together, they form the backbone of the Pearl Year's administration.

Leading the club's commitment to The Rotary Foundation is Brian Ray Alvero, Club Foundation Chair, who will help cultivate a deeper understanding of Rotary's ability to transform generosity into sustainable service.

Al Anthony Casal, as Club Learning Facilitator, carries the important responsibility of nurturing a culture where Rotarians continuously learn, grow, and become better equipped to serve.

Membership remains at the heart of a thriving Rotary club. Guiding this important area is Allan Bargamento, Club Membership Chair, whose work will help welcome new members, strengthen engagement, and ensure that every Rotarian finds a meaningful place within the organization.

And as the story of the club is shared with the world, Phaethon Bert Carillo, Club Public Image Chair, takes on the responsibility of telling the Kankabato story—showing not only what the club does, but why its service matters.

Leading the club's service initiatives is Alvin Alimangohan, Club Service Projects Chair, who will help transform ideas into programs that respond to real community needs.

In a world where communities face increasing risks from disasters, Rodolfo Padillo, Disaster Risk Reduction Management Chair, carries the important responsibility of strengthening preparedness, response, and resilience initiatives.

Meanwhile, Dino Leonard Romero, Diversity, Equity, and Inclusion Chair, will help ensure that Rotary remains a welcoming organization—one that recognizes the dignity, potential, and contribution of every individual.

The club's commitment to developing the next generation of leaders is entrusted to Vernon I. Jolbitado, Club Young Leaders Contact, strengthening the bridge between Rotary and young people who will one day carry the torch of service forward.

Through international understanding and cooperation, service becomes a bridge between people and nations. Leading this dimension of the club's work is Walter Diu, International Service Director, who will help cultivate opportunities for collaboration beyond the local community and strengthen the club's place within the global Rotary family.

Meanwhile, Ralph L. Martel, Professional Service Director, will champion the contribution of professional expertise to the ideals of Rotary.

Janice T. Evite, Vocational Service Director, will continue to highlight the importance of ethical practice, meaningful work, and the use of one's profession as an instrument for service.

And because Rotary is built not only through projects but also through friendships, Limmuel Golong, Fellowship Chair, will help nurture the camaraderie and fellowship that keep Rotarians connected beyond the meeting room.

FIFTEEN YEARS FORGED BY SERVICE

The 15th year of the Rotary Club of Kankabato-Tacloban is therefore not simply a celebration of how long the club has existed.

It is a celebration of how much the club has given—and how much more it can still give.

Every president who once stood at the helm, every officer who accepted responsibility, every Rotarian who volunteered time, every donor who believed in a project, every partner who opened a door, and every beneficiary whose life was touched by service forms part of the club's fifteen-year story.

Their contributions have become the layers of the pearl.

And now, another layer begins.

The launch of Project Bright Bites and Project Clean Hands gives that new layer a face, a purpose, and a promise.

It declares that the club's 15th year will not simply be remembered as the year when Kankabato celebrated fifteen years.

It will be remembered as the year when fifteen years of legacy were transformed into a renewed commitment to lasting impact.

THE PEARL PRESIDENT

A pearl is valuable because of the story contained within its layers.

So, too, is the Rotary Club of Kankabato-Tacloban. Fifteen years of service have created a legacy worth protecting. But a legacy is never truly complete. Every new generation of Rotarians is given the opportunity to add another chapter.

President Albert Esperas now carries that responsibility. With him stands a team of officers ready to transform

commitment into action, fellowship into service, and partnerships into lasting change.

Together, they inherit fifteen years of history.

Together, they will write the next chapter.

And together with District Governor Arlene Adlawan, their partners in service, and the communities they serve, they will continue the call that has always defined Rotary:

Because the true measure of fifteen years is not found in the number of years that have passed.

It is found in the lives changed, communities strengthened, friendships created, and hope renewed.

And as the Rotary Club of Kankabato-Tacloban begins its next chapter, the Pearl President and his team are ready to create an impact that will shine far beyond this anniversary year.

Fifteen years of legacy.

One Pearl Year.

One united team.

A signature service that creates lasting impact.

The pearl has been formed.

Now, it is time for Kankabato to make it shine.

BALYUAN: *A Name Rooted in History, Fellowship, and Service*

Balyuan is a historic site and cultural symbol in Tacloban City, Leyte, associated with the traditional Balyuan Rites—a commemorative reenactment of the historic exchange between the image of the Santo Niño of Basey and the image of the Nuestra Señora de la Asunción of Tolosa. The tradition recalls the longstanding cultural and religious connections between communities across the San Juanico Strait and has become an important part of Leyte's heritage.

The Rotary Club of Kankabato-Tacloban chose "Balyuan" as the official name of its club bulletin because the word embodies the spirit of coming together, exchange, and unity. Just as the Balyuan tradition brings communities together across the waters, the club seeks to bring Rotarians, partners, and communities together through fellowship and service.

More than a name, Balyuan represents the club's identity: rooted in local heritage, strengthened by fellowship, and united for service. It reminds every Kankabato Rotarian that meaningful impact begins when people come together with a shared purpose.

BALYUAN — Where heritage meets fellowship, and fellowship becomes service.
