THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY, OR DO:

Is it the TRUTH?

Is it FAIR to ALL concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to ALL concerned?

OBJECT OF ROTARY

...is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular to encourage and foster;

FIRST: The development of acquaintance as an opportunity for service;

SECOND: High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH: The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ROTARY CODE OF CONDUCT

- Act with integrity and high ethical standards in my personal and professional life
- Deal fairly with others and treat them and their occupations with respect
- Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- Avoid behaviour that reflects adversely on Rotary or other Rotarians
- Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment

Presidential Message

Stephanie A. Urchick Rotary International President 2024-25

With World Polio Day on 24 October, I'm proudly rooting for Rotary as we team up around the world to End Polio Now.

I had the honor of attending a Strike Out Polio event in July at PNC Park, home of the Pittsburgh Pirates MLB team. The Rotary Club of Delmont-Salem hosted the event, which raised \$1.3 million for PolioPlus.

Later in the summer, I joined members of our Rotary family in supporting the Más Millas Menos Polio (More Miles Less Polio) bike ride. Felipe Meza Chávez and his team rode all the way from Ciudad Juárez, Mexico, to One Rotary Center in Evanston, Illinois, to raise money and awareness. The ride took 12 days, and Felipe and his team collected more than \$100,000 to support the fight against polio. It was a joy to greet them as they arrived in Evanston.

And I was thrilled to see Team End Polio raise global awareness around the 2024 Paris Olympics. This world-class roster of athletes, global leaders, and polio eradication supporters came together to advocate for a world where no child has to live in fear of being paralyzed by polio. Some of the athletes on Team End Polio are polio survivors themselves, adding weight to their advocacy.

These are just a few examples of the many ways Rotary has teamed up recently to End Polio Now. It is vital that we continue to seek out and recruit teammates in polio eradication, especially after the challenges our eradication efforts have faced this year.

The Rotary world was heartbroken to learn about the tragic passing in August of Aidan O'Leary, director for polio eradication at the World Health Organization.

I knew Aidan and worked with him directly. He was a tireless advocate in the fight against polio and a kind, genuine man. We will remember him both for his advocacy and his warmth.

But where there is hardship, there is also hope. I feel hopeful whenever I consider the countless ways Rotary supports the fight every day to eradicate polio.

As people of action, we don't have the luxury of giving in to despair, even in the face of tragedy. The best way to honor Aidan's memory is by teaming up and reaching our goal to End Polio Now.

We made a promise to the children of the world and their families. It is incumbent upon us, together with our global partners, to end this threat once and for all.

There are so many ways we can team up to eradicate polio. You can donate to the End Polio Now campaign, join or initiate a PolioPlus Society in your club or district, or take inspiration from the fundraisers I mentioned above.

I encourage Rotary members around the world to continue to seek out new teammates, so that together, we end polio.

Message from the **Club President**

Rtn. Janine Francesca C. Pring, PHF

Dear Rotarians, Spouses, and Rotaractors,

As we approach World Polio Day on October 24, I want to extend my heartfelt thanks for your unwavering support for the "Move to End Polio" initiative. This district-wide project, encompassing Areas 3FGH, represents our collective commitment to eradicating this disease. Your dedication is vital to making a difference in the lives of those affected.

I also invite you to participate in our upcoming Breast Cancer Awareness activity. Together, we can raise awareness and provide support to those impacted by this important issue.

A special thank you to all Rotarians, spouses, and Rotaractors who positively responded to our invitation to the bike and run challenge. Your enthusiasm and participation are truly appreciated!

Additionally, mark your calendars for our Celebration Night on October 24, 2024. We will not only commemorate World Polio Day but also celebrate our achievements together.

I would also like to take a moment to wish a very happy birthday to our beloved spouse, Mama Babes Pajaro. Your kindness and support enrich our Rotary family, and we are grateful for all that you do. May your special day be filled with love and joy!

Thank you once again for your commitment and support.

Together, we are making a significant impact in our community and beyond.

The Secretary's Report

Rtn. Baltazar A. Fresco, Jr., PHF

Greetings to my fellow Rotarians and to our respective Spouses,

During our last meeting, we thoroughly enjoyed the insightful presentation by President Janine, supported by Rotarian Ian Chiu, both of whom are passionate IT enthusiasts. They provided a comprehensive overview of how to protect ourselves from various online and SMS scams, highlighting specific examples that resonated with our members.

Their engaging discussion included valuable tips and strategies for identifying legitimate messages versus fraudulent ones. It was an enlightening topic that sparked great interest and participation among all attendees.

I would also like to take this opportunity to thank all members for their generous sponsorship of the "Move to End Polio," which will be conducted this coming Saturday. Your support is invaluable in our mission to eradicate this disease. Prexy Janine will present the final instructions and other details during tonight's meeting, so be sure to attend!

Additionally, I encourage everyone to attend the "Dance to End Polio" on October 27, 2024. This is the 4th year of this wonderful event, which is a solo project of our club. Let's invite our friends and families to join us for a fun evening of dance while we show our support for the total eradication of polio. Together, we can make a difference!

Lastly, I'd like to acknowledge President Janine's attendance at the Areas 3FGH Committee Meeting on October 12, 2024, in Polomolok. I'm pleased to report that attendance and activity reports have been submitted to the district and RCC in a timely manner.

Thank you all for your continued dedication and support. Let's keep up the great work and look forward to making a positive impact together!

Club History

Decades of Service Above Self

The origins of the Rotary Club of Marbel trace back to Attorney Paul Harris's vision for camaraderie among business associates, who initially convened in downtown Chicago. After rotating meeting locations, they formalized into what would become the Rotary Club - an international organization dedicated to service and fellowship, encapsulated in its motto: "Service Above Self."

As Rotary expanded globally, members pooled their talents and resources to serve their communities. Today, there are over 46,000 member clubs worldwide, comprising 1.4 million Rotarians - neighbors, friends, and community leaders - who work collaboratively to foster positive, lasting change globally.

Initially established as the sole Rotary Club in Marbel municipality (now the City of Koronadal), the Rotary Club of Koronadal identified opportunities for expansion. Under the leadership of the late Rey Tolosa, Extension Committee Chair and Past President (PP), the club aimed to establish or sponsor another Rotary club in the growing city. In mid-1979, they began recruiting young, dynamic professionals to join this new initiative.

On June 30, 1980, Rotary International (RI) approved the establishment of the Rotary Club of Marbel. Charter President, the late Gerardo Calaliman, led the club through its formative years, establishing a name synonymous with respect and prestige, emblematic of all Rotary Clubs. Over the years, the club welcomed diverse new members, irrespective of religion, gender, or political affiliation.

The club's impactful initiatives span a wide array of projects aimed at enhancing community welfare, including medical, dental, and surgical missions; literacy programs; feeding schemes; career orientation for graduating high school students; anti-bullying campaigns; "I Love English" initiatives; establishment of Adopt-a-Day Care Centers; support for the school for the deaf at Koronadal Central Elementary School 1; annual December gift-giving and feeding programs; breast cancer awareness campaigns; bloodletting activities; End Polio initiatives; and various environmental projects such as tree planting in mountain areas like Lake Sebu and Koronadal City, and coastal clean-ups along Sarangani Bay, General Santos City, and B'lok Creek, in collaboration with different national and local government and private agencies. The club actively participates in One Rotary, One District activities and area-wide projects, amplifying its impact across broader communities.

The Rotary Club of Marbel has also nurtured youth leadership through its sponsorship of the Rotaract Club of Notre Dame of Marbel University in 1988 and the establishment of the Interact Club of Koronadal National Comprehensive High School (KNCHS) in 2014. In 2018-2019, the club expanded its youth initiatives with the formation of the school-based Rotaract Club of Korbel and the Interact Club of Korbel. During the challenging times of the pandemic in 2021, the club pioneered the establishment of the community-based Rotaract Club of Marbel, comprising young professionals committed to service and community development.

In dedication to expanding influence and promoting collaboration for the advancement of humanity, the Rotary Club of Marbel forged sisterhood agreements with the Rotary Club of Japan and the Rotary Club of Singapore, represented by Past President Dr. Oliver Henedige. Upon Dr. Henedige's return to the Philippines, he introduced Dr. Angamuthu Rajoo, Past President of the Rotary Club of Johor Bahru (Malaysia) in District 3310, which later became a sister club. In the Rotary Year 2018-2019, a sisterhood agreement was also signed with the Rotary Club of Alabang LAMPARA through the then President, Atty. Elbert S. Cruz. In 2024, another sisterhood agreement was inked with the Rotary Club of Cheonan West from South Korea under District 3620. These initiatives signify auspicious beginnings for the relationship between the clubs.

The Rotary Club of Marbel has proudly received multiple grants from The Rotary Foundation (TRF). These include a notable Adopt-a-Harelip Project in collaboration with the Rotary Club of Johor Bahru, as well as initiatives for Vitamin A supplementation and cataract operations. Additionally, the club has benefited from World Community Service projects supported by District 2790 in Chiba, Japan. These projects encompass activities such as school building construction, feeding programs, literacy initiatives, water supply and sanitation improvements, and further cataract and harelip surgeries. In 2024, the Water for Schools Project of the Rotary Club of Cheonan West provided safe and clean drinking water to the selected schools.

In partnership with international and national medical societies, the club has organized impactful medical and dental missions serving indigent communities in South Cotabato. These efforts were recognized as the Most Outstanding Project by District 3860. Furthermore, the club has earned numerous exceptional awards, including the Rotary International Citation, underscoring its unwavering dedication to community improvement and service. These prestigious awards from Rotary International and District 3860 reflect the esteemed reputation it has cultivated within the community - an undeniable testament to achieving its goals and acknowledging its significant contributions as one of the outstanding civic organizations in the community.

Beyond its renowned service projects, the club has made significant contributions to The Rotary Foundation (TRF). A milestone was reached with the creation of its first Paul Harris Fellow (PHF), Rotarian Benjamin M. Garcia, in the Rotary Year 1994-1995. Additionally, the club takes pride in his achievement as the first District 3860 Governor from the club and served for the Rotary Year 2018-2019 under the RI Theme "Be the Inspiration." Through his generous donations to the Foundation, he became the club's first TRF Benefactor and reached Major Donor Level 2. Since then, annual contributions to TRF have become customary, leading to the club's recognition as a Paul Harris Fellow (PHF) Club in 2018 - a tradition of generosity that continues steadfastly today.

The strength of the Rotary Club of Marbel lies in each member's unwavering commitment to the motto 'Service Above Self' and in fostering a sense of unity within the Rotary Club of Marbel family. Whether celebrating successes through collaborative club projects or supporting each other during personal hardships, their bond remains resilient. Recognizing that maintaining membership retention is crucial for a strong foundation, continuous membership development ensures the club's enduring legacy.

The club takes pride in its members who are distinguished leaders not only in their respective professions or businesses but also in their passionate dedication to Rotary service, enriching the community through their diverse contributions.

Over 44 years, the club has dedicated time, effort, and resources to uplift those most in need, making a meaningful impact through countless projects benefiting the less fortunate members of their community.

The Rotary Club of Marbel demonstrates unwavering commitment to service. It remains steadfast in its mission to inspire and transform lives, showcasing the spirit of Rotary. Together, they envision a future where their service continues to make a profound difference in the world.

Rotary Club of Marbel's Original Theme Song

(Lyrics: PP Camilo Dajay, Composer: Ryan Gazo)

When life becomes short and complicated
When all you see is poverty and misery
When you are bored and discontented
And your days seem cold and dreary
It's time to get up, move on, and make new friends
The joy of serving others Is felt by each Rotarian
Come take your place under the sun
Join us and have so much fun

If you want to be happy Join Rotary
If you want to be loved Embrace Rotary
If you want peace and harmony
Serve with Rotary
The Rotary Club of Marbel
Our Home, Our Passion, Our Family
All for the service of humanity
Rotary Club of Marbel
