R.I. President's Message

99.9 percent is not 100 percent

Ahmed Tudun-Wada knows what polio takes from a child. He contracted the disease as a young boy in Kano, Nigeria, and was left paralyzed. Decades later, when Nigeria was struggling to eradicate polio, Aminu decided that he would use his experience to help protect other children.

He brought together polio survivors and began going door to door, talking with parents about vaccination. The survivors told their stories. They showed families the effects of polio. And they urged parents to make sure their children never had to go through the same experience.....

By 2021, the Polio Survivors Group that Aminu founded had grown to more than 400 members. Their work helped Nigeria reach a milestone that once seemed impossible: In 2020, the World Health

Organization certified Nigeria, and the entire African region, free of wild poliovirus.

I think about people like Aminu whenever we talk about ending polio. Eradication is about children who will never know what it means to lose the ability to walk. It is about parents who will never have to watch a healthy child become paralyzed by a disease that vaccines can prevent.

And it is about making sure the people who remember polio become the last generation that does. Rotary has been part of this fight for more than four decades. Together with our partners, we have helped vaccinate more than 3 billion children, contributed more than $3 billion to the global effort, and reduced cases of wild poliovirus by 99.9 percent.

But 99.9 percent is not 100 percent.

Wild poliovirus remains endemic in Afghanistan and Pakistan. As long as it circulates anywhere, children everywhere remain at risk. And even after wild poliovirus disappears from a country, we must maintain strong immunization and surveillance systems so the virus cannot find a way back.

Aminu could have looked at his own experience and asked, "Why me?" Instead, he asked a different question: "How can I make sure this does not happen to another child?" That is the spirit we need now.

The final mile of any journey can be the hardest. But we have walked too far, worked too hard, and protected too many children to stop here.

Let us remember why we began. Let us listen to those who have experienced polio. Let us be the generation that creates lasting impact and ensures no one ever experiences polio again.

Yinka

President, Rotary International

PRESIDENT'S PAGE

OCTOBER: A MONTH OF PURPOSE, SERVICE, AND GRATITUDE

October has been one of the busiest yet most meaningful months for us Rotarians as we champion two important advocacies: Pink October for Breast Cancer Awareness and End Polio Month. Both remind us of our shared responsibility to protect lives, spread awareness, and make a lasting difference in our communities.

To support these causes, the Rotary Club of Polomolok 101 organized its 1st Pickleball Tournament for a Cause, with proceeds dedicated to supporting the Kasuso Foundation – South Cotabato Chapter and Rotary's End Polio Fund. It was a major undertaking that required dedication, teamwork, and countless hours of preparation. Our members worked tirelessly, each contributing time, effort, and resources to make this event a success. And by God's grace, we did it!

On behalf of the club, I extend my heartfelt gratitude to our generous sponsors and benefactors, our hardworking volunteers, the enthusiastic players, our Rotaractors, and everyone who shared their treasures, talents, and time in support of our mission. Your generosity and cooperation made this endeavor possible and truly meaningful.

This experience reminds us that when we unite with a common purpose, challenges become opportunities, and collective efforts create meaningful impact.

Together, we have proven that one game can do more than bring people together—it can help change lives. Thank you for being part of this journey and for living out Rotary's spirit of Service Above Self.

Let us continue to serve with grateful hearts, unwavering commitment, and faith in the difference we can make together.

Yours in Rotary Service,
Rtn. Rutcie L. Tito
President, Rotary Club of Polomolok 101
RY 2026–2027

Editor's Note

OCTOBER: A MONTH OF AWARENESS, HOPE, AND ACTION

October holds a special place in my heart. As a breast cancer survivor for nearly two decades, this month is more than a celebration of awareness—it is a personal reminder of life, faith, resilience, and the importance of early detection. Through my advocacy, I continue to share one vital message: Early detection can save lives.

In Rotary, Pink October brings us together across the District to spread awareness, encourage screening, and remind everyone that breast cancer, when detected early, offers a better chance for successful treatment. Every conversation we start and every woman we encourage to get checked can make a difference.

October is also End Polio Month, a reminder that our work is not yet finished. Through our End Polio activities, we continue to educate, advocate, and support Rotary's global mission to eradicate polio. Our dream is a world where no child will ever have to suffer from this preventable disease.
These two advocacies share a powerful purpose: protecting lives through awareness, prevention, and collective action. Whether we wear pink or our End Polio shirts, what truly matters is the message we carry and the lives we touch.

As Rotarians, let us continue to turn awareness into action and compassion into service. Because every life matters, every effort counts, and every act of service brings us closer to a healthier, safer world.

In Rotary Service,
May Urbano
Editor-In-Chief

From the Tresurer's Desk

by: PP Gladys Balano

A Month of Teamwork and Gratitude

October has been a busy yet fulfilling month, especially with the preparations and successful staging of our 1st Rotary Club of Polomolok 101 Pickleball Tournament for a Cause. From receiving sponsorships and donations through our solicitation efforts to keeping our financial records updated, it has been a month of hard work and commitment.

As Treasurer, managing these responsibilities became easier because everyone willingly contributed and worked together toward our common goal. Indeed, teamwork makes every task lighter!

Our heartfelt thanks to all our generous sponsors, benefactors, volunteers, players, Rotaractors, and everyone who supported our event. Your generosity and cooperation made this fundraising activity a success.

The funds we raised will support two meaningful causes: the End Polio Fund and the Kasuso Foundation – South Cotabato Chapter, helping us extend our service beyond our club and into the lives of those who need it most.

Together, we have shown that when we unite our resources and hearts for a good cause, we can make a real difference. Thank you for making this October truly meaningful!

Featured Rotarian:

Past President Melani Deypalan

A Survivor's Strength, A Heart for Service, A Life of Purpose

Some people inspire us through their accomplishments; others inspire us through the lives they touch. Past President Melani "Mel" Deypalan is one such Rotarian—a seasoned, active, and dedicated member of the Rotary Club of Polomolok 101 whose commitment to service continues to shine.

A dentist by profession, PP Mel's life took an unexpected turn in February 2015 when she was diagnosed with Stage 2A breast cancer. It was a challenging chapter that tested her strength, faith, and resilience. Yet, through it all, she held firmly to her faith in God, believing that it was His mercy and grace that carried her through every chemotherapy session and surgery, even when financial resources were limited.

But cancer did not stop her from serving others. At that time, she was a Municipal Councilor, and rather than allowing her illness to silence her, she turned her personal battle into a powerful mission. She used her experience to inspire others, advocate for breast cancer awareness among her constituents, and give talks to various women's groups, encouraging women to be vigilant about their health and seek early detection.

Nearly a decade after her diagnosis, PP Mel continues to stand as a living testament to courage, faith, and hope. Her journey reminds us that a cancer diagnosis does not define a person's future—and that even in our most difficult moments, we can find the strength to inspire and uplift others.

Though she is no longer in public office, her passion for service remains unwavering. Through Rotary, she continues to share her time, talents, and compassion, living out the true meaning of Service Above Self. Her story is a beautiful reminder that while our roles may change, our purpose to serve never has to end.

This Pink October, PP Mel's story reminds us that behind every cancer survivor is a story of courage, faith, and renewed purpose. Breast cancer awareness is not just about wearing pink; it is about saving lives through education, regular screening, and early detection. May her journey encourage every woman to take charge of her health, every family to offer support, and every community to stand beside those facing cancer.

Because sometimes, the most powerful way to turn pain into purpose is to use our own story to help save another life.

Early detection can save lives. Let us continue to spread awareness, share hope, and stand together in the fight against breast cancer.

END POLIO NOW: A WORLD FREE FROM POLIO IS POSSIBLE!

AG Rogelio Rallos, Jr
TRF CHAIR

Rotary Club of Polomolok 101 – Our Commitment to a Polio-Free World

Imagine a world where no child ever has to suffer from a disease that can cause lifelong paralysis or even death. This is the vision that drives Rotary International's unwavering commitment to End Polio Now—one of Rotary's most enduring humanitarian missions.

For decades, Rotary has been at the forefront of the global fight against polio, working with governments, health organizations, and communities to provide vaccines, raise funds, and spread awareness. Through the Global Polio Eradication Initiative, the number of polio cases worldwide has been reduced by more than 99% since 1988. Yet, our mission is not over. As long as polio exists anywhere, every child remains at risk.

As members of the Rotary Club of Polomolok 101, we are proud to be part of this global movement. Through our End Polio activities, awareness campaigns, fundraising initiatives, and contributions to The Rotary Foundation's PolioPlus Fund, we reaffirm our commitment to this life-saving cause. Every effort, no matter how small, brings us closer to a world where no child will ever have to suffer from this preventable disease.

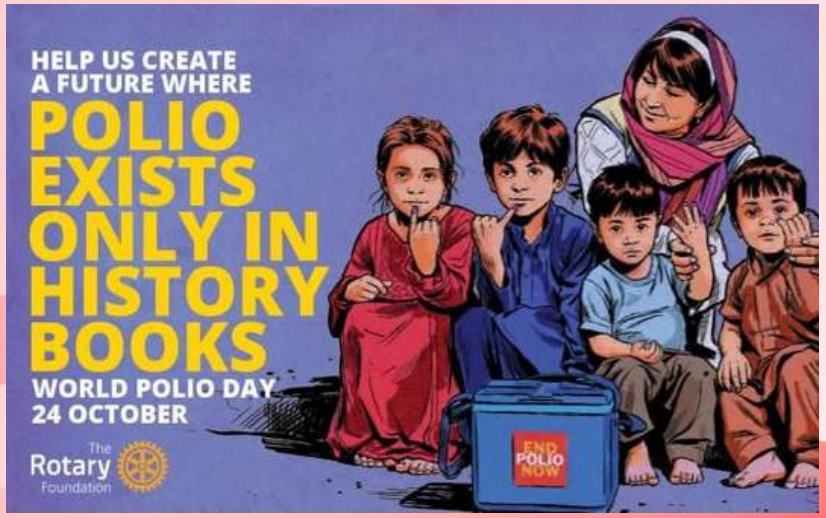

Our responsibility as Rotarians goes beyond raising funds or wearing the End Polio Now shirt. It is about keeping the advocacy alive, encouraging immunization, educating our communities, and inspiring others to join the fight.

As Rotary Club of Polomolok 101, let us continue to stand united, serve with purpose, and turn our commitment into action. We may be just one club in a worldwide organization, but together with millions of Rotarians, we can help make history.

One mission. One united Rotary. One polio-free world.

END POLIO NOW! Because every child deserves a healthy future.

-Rogelio "Wang" Rallos

WE FIGHT CANCER. WE SPREAD HOPE. WE STAND TOGETHER.

Behind our smiles are stories of battles fought, tears shed, prayers whispered, and faith that never wavered. We are not just breast cancer survivors; we are living testimonies that life after cancer is possible and that early detection can save lives.

For years, we have stood together in advocating for Breast Cancer Awareness, sharing our stories to encourage women to listen to their bodies, seek early screening, and never ignore the signs. Our journey has taught us that awareness is more than just a campaign—it is a mission close to our hearts.

We know what it feels like to face the uncertainty of a cancer diagnosis. We understand the fear, the questions, and the silent battles that come with it. That is why we choose to turn our experiences into something meaningful. We help, we empathize, we pray, and we stand in solidarity with every woman facing this battle. We want them to know that they are not alone.

Our scars tell stories of strength. Our survival carries a message of hope. And our faith reminds us that even in our darkest moments, we can find the courage to keep going.

Doc Mel and I may have walked our own journeys, but today, we walk together with one purpose: to spread awareness, inspire courage, and help save lives.

To every woman out there, please take care of yourself. Know your body. Get checked. Seek medical advice when something doesn't feel right. Early detection matters, and your life matters.

We survived. We continue to fight. And we will never stop advocating. Because this fight is bigger than us—it is for our mothers, our sisters, our daughters, our friends, and every woman whose life can still be saved.

Together, we fight cancer. Together, we spread hope. Together, we can make a difference.

Because every life is precious, every woman deserves a fighting chance, and no one should have to face cancer alone.

INVOCATION

Heavenly Father,

We thank You for bringing us together tonight for our 15th Membership Meeting and Fellowship Night. Thank You for the gift of friendship, fellowship, and the opportunity to serve our community through Rotary.

Bless all the members of Rotary Club of Polomolok 101. Give us wisdom and open hearts as we discuss matters important to our club, especially the preparations for our Fund Raising Activity.

May our discussions be productive, our decisions guided by wisdom, and our fellowship strengthen the bonds that unite us as one Rotary family.

Continue to bless our club with dedicated members, meaningful projects, and the spirit to serve with compassion and purpose.

May we always remember that when we work together with love and commitment, we can truly create a lasting impact in the lives of others.

We offer this meeting and all that we do to You.

Amen.

ROTARY CODE OF CONDUCT

As a Rotarian, I am expected to:

1. **Act with integrity and high ethical standards in my personal and professional life**
2. **Deal fairly with others and treat them and their occupations with respect**
3. **Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world**
4. **Avoid behavior that reflects adversely on Rotary or other Rotarians**
5. **Help maintain a harassment-free environment in Rotary meetings, events, and activities; report any suspected harassment; and help ensure non-retaliation to those individuals that report harassment**

The 4-Way Test

Of the things we think say or do

1. **Is it the TRUTH?**
2. **Is it FAIR to all concerned?**
3. **Will it build GOODWILL and BETTER FRIENDSHIPS?**
4. **Will it be BENEFICIAL to all concerned?**

ROTARY HYMN

I want to be, A Rotarian for the world
Make the Rotary flag, be the flag of peace unfurled
I will serve my community
Help to seek international unity
Thru Rotary, I will dedicate my all
World understanding shall be my cherished goal

Refrain : With the Four Way Test
I'll pursue my quest
And I in a way help obtain
Peace in the world
Then I won't have lived in vain.

I'll observe Service Above Self
Lend a hand to all who'll need my help
I'll get my spouse to involve in Rotary
And in Rotary ways, I will train my family
(Repeat Refrain - substitute "I" with "We")

Build a bridge for tomorrow's youth
Strengthened by nothing but the truth
Let's join our hands, there's no reason to divide
We shall all understand, while the good Lord is our guide
(Repeat Refrain - substitute "I" with "We")

CODA: Peace be achieved
So we won't have lived in vain.

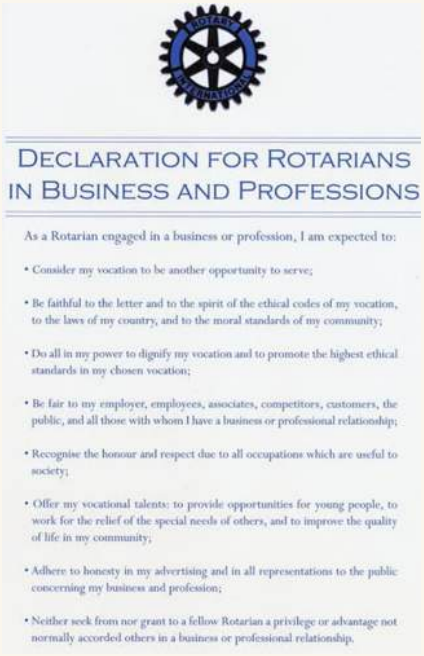

SUNSHINE GREETINGS

Important Dates to Remember

The Rotary Club of Polomolok 101: A Legacy of Service

The Rotary Club of Polomolok 101 was officially chartered by Rotary International on August 31, 2005, through the dedicated efforts of its mother club, the Rotary Club of Midtown General Santos. While initial attempts to establish a Rotary club in Polomolok began as early as February 2003, it was only in January 2005 that persistence bore fruit. With the support of Rotary Club of Midtown General Santos, Omar Gallinero was appointed as the club's Charter President, leading 25 charter members from diverse professional backgrounds. The club was established under the leadership of then-District Governor Len Magno of District 3860.

The number 101 in the club's name holds special significance. First, it marks the club's founding during Rotary International's 101st anniversary. Second, it represents the club's distinction as the 101st chartered club under District 3860.
Registered under District 3860, Area 2F with Club Number 70517, the Rotary Club of Polomolok 101 continues to thrive, powered by a dedicated team of 26 committed individuals who embody the spirit of service above self.

Mission Statement

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.

Vision Statement

"Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves."

Running for a Cause, Running for Lives: RCP 101 Supports Kasuso Foundation

For the Rotary Club of Polomolok 101, supporting the Kasuso Foundation (South Cotabato Chapter) has always been more than just a partnership; it is a commitment close to our hearts. Over the years, we have witnessed the Foundation's dedication to helping breast cancer patients, especially those who struggle to afford medication and treatment. Having been part of this advocacy for years, we understand that behind every fundraising activity is a life that needs help, a family holding on to precious moments, and a battle that no one should have to face alone.

This October as we celebrate Breast Awareness Month, our club once again showed its commitment by supporting and helping promote the Kasuso Fun Run held on October 17, 2026 in Koronadal City. The event was a resounding success, bringing together people from different walks of life—not only runners and athletes, but entire families, including young children, who came together to show their love and support for this meaningful cause.

Beyond the excitement, the laughter, and the footsteps that filled the event, every participant shared a deeper purpose: to help cancer patients in South Cotabato who struggle to afford their medications and treatment. The proceeds will go toward assisting these patients, easing some of their financial burdens and reminding them that they are not alone in their fight.

Our heartfelt gratitude goes to the Foundation's Director Ma'am Nanette de Jesus and everyone who worked tirelessly to make this event possible—the organizers, sponsors, volunteers, participants, and supporters who gave their time, energy, and resources to a cause that truly matters.

Behind every cancer diagnosis is a person who dreams of seeing another sunrise, a family praying for more precious moments together, and a loved one wishing for more time. For those who struggle to afford treatment, every peso raised can mean one less burden to carry and another chance to continue fighting.

We run not merely to cross a finish line, but to help someone continue their journey through life. Every step taken, every contribution given, and every heart that joined this cause reminds us that compassion can make a real difference. Together, let us continue standing beside cancer patients and their families, proving that when a community comes together with generosity and love, we can help lighten the heaviest burdens.

Because in this race, the greatest victory is not who finishes first, but how many lives we touch and help along the way.

ONE GAME, TWO MEANINGFUL CAUSES: THE STORY BEHIND OUR 1ST RCP 101 PICKLEBALL TOURNAMENT FOR A CAUSE

When an idea becomes a mission, and teamwork turns it into an achievement.

It all started sometime in August when the Rotary Club of Polomolok 101 began exploring ways to raise funds to support our club projects and advocacies. We wanted something different, engaging, and meaningful—an activity that would bring people together while making a difference. And that was how the idea of holding our very first Pickleball Tournament for a Cause came to life!

As fate would have it, two of our Rotaractors, Ryan and Kenth, came along with their knowledge and experience in pickleball. They helped us understand the game, explore the possibilities, and turn our initial idea into a workable fundraising event. A big THANK YOU to both of you for sharing your expertise and enthusiasm!

From there, the brainstorming began. Every member was assigned to a committee, ensuring that everyone had a role to play and a responsibility to fulfill. With barely two months of preparation, we worked together, faced challenges, attended to countless details, and gave our best to make this event happen.

And what an outcome it was! By God's grace, our 1st Rotary Club of Polomolok 101 Pickleball Tournament for a Cause, held on October 24–25, 2026, was a success! What began as a simple idea became a wonderful gathering of pickleball enthusiasts, supporters, friends, and families—all united for a worthy cause.

We are especially grateful that the tournament was conducted safely, with no reported player injuries and fair games throughout the competition. Our sincere appreciation goes to our referees and umpires, the Youth Philippine Red Cross team who assisted with medical services, and everyone who helped ensure the smooth and safe conduct of the event. Kudos to all!

But beyond the games, medals, and friendly competition, what truly made this event special was its purpose.

The proceeds will benefit two meaningful advocacies close to our hearts:

💗 Kasuso Foundation – Philippine Breast Care Foundation, Inc., South Cotabato Chapter. In the spirit of Pink October, we are proud to support an organization that helps women, particularly those who cannot afford the necessary breast care services, diagnosis, and treatment. As advocates of breast cancer awareness, we believe that no woman should be deprived of the opportunity to seek proper care because of financial limitations. Through this contribution, we hope to help bring assistance, encouragement, and hope to women and families facing the difficult battle against breast cancer.

💜 Rotary's End Polio Fund. Our commitment to End Polio Now remains strong. Rotary has worked tirelessly for decades to protect children from this preventable yet potentially devastating disease. We are passionate about this global mission because we believe that no child should ever suffer from polio. Every contribution brings us one step closer to a polio-free world.

It was especially meaningful that our tournament opened on October 24, coinciding with World Polio Day, while the entire event took place during Breast Cancer Awareness Month. What a wonderful opportunity to bring these two important advocacies together through one fundraising activity!

Continuation

To all our generous sponsors and benefactors, our enthusiastic players, volunteers, Rotaractors, referees, umpires, the Youth Philippine Red Cross, friends, and supporters—THANK YOU from the bottom of our hearts! Your generosity, time, talents, and trust made this endeavor possible.

And to every member of the Rotary Club of Polomolok 101, THANK YOU for your hard work, cooperation, and unwavering commitment. This achievement belongs to all of us. It is proof that when every member takes part, shares a responsibility, and works toward one common goal, even the biggest undertaking becomes possible.

The rest, as they say, is history!

One game brought us together. One purpose gave us direction. And countless helping hands made a difference.

This is what Rotary is all about—turning ideas into action, friendship into fellowship, and collective efforts into meaningful service.

Sometimes, one game can change a life. And together, we can create lasting impact!
