PRESIDENT'S MESSAGE

JUDE A. DUARTE
President, RY 2025-2026

My warmest greetings, Fellow Rotarians,

We continue to invest in the growth of our members by inviting speakers whose professional journeys offer lessons that go beyond their fields. For our regular meeting on October 30, 2025, we will have Engr. Cristilito P. Marcojos, PME, MM, MDP, a Professional Mechanical Engineer and management consultant with almost three decades of experience in manufacturing operations, logistics, and project management.

He has worked with major companies such as San Miguel Corporation, Ginebra San Miguel, Red Ribbon Bakeshop, and Century Pacific Agricultural Ventures, where he led large-scale projects including the installation of production plants and the implementation of quality management systems. Engr. Marcojos is also a trainer and facilitator for management workshops, values formation, and team-building programs.

Given his expertise, his talk will focus on how effective systems, leadership, and teamwork create lasting results. These are insights that can guide us not only in our professional lives but also in how we organize and lead within Rotary. His mix of experience in both industry and people development promises a session that is both practical and inspiring. I encourage everyone to attend and take part in the discussion.

Alongside our regular club activities, we continue to move forward with our proposed Global Grant project, "Hope on Wheels – A Mobile Solution to Hunger." This initiative seeks to respond to one of the most urgent issues of our time—food insecurity. The project envisions a Mobile Kitchen for Hunger Relief, designed to serve nutritious meals in communities and disaster-affected areas while also offering education on nutrition and sustainable food practices. It is an ambitious plan, but it reflects Rotary's long-standing commitment to community well-being and development.

We have reviewed the guidelines and are now preparing for submission. The process will require persistence and collaboration, and I'm grateful to everyone who has contributed ideas and time so far. Together, we can move closer to making this project a reality.

Let's continue to show up for each other and for the communities we serve. Each meeting, conversation, and initiative brings us a step forward in building the kind of club that acts with both heart and purpose.

In Rotary service,

JUDE A. DUARTE
President, Rotary Club of Tacloban

SECRETARY'S MESSAGE

ROMER S. SERNA
Secretary, RY 2025-2026

Dear Fellow Rotarians,

A pleasant day to everyone in Rotary!

We've had quite a productive month, and I want to thank everyone for your active engagement in all our recent activities. It's encouraging to see how involved our members have been. Your presence in every meeting and project gives real meaning to our service. Last week's regular meeting was ably presided over by PE/VP Neil Sia. I'm grateful for his steady hand in leading the discussion and keeping the meeting focused. Among the updates shared was the Zumba Tayo to End Polio event organized by the Rotaract Club of Tacloban. It was a meaningful success, with clubs from the area coming together to support Rotary's continuing commitment to better health worldwide.

To all the clubs who co-hosted, and to everyone who registered and joined the event, thank you. Your time and presence mattered. I also extend my thanks to PP Ed, Sp. Guady, and all Rotarians who purchased tickets. Every bit of support counts in keeping Rotary's work to end polio moving forward. The same efforts are happening in many places around the world, slowly but surely bringing us closer to success.

The results of this month's activities show how small, consistent actions can build up to something meaningful. Service takes many forms, but it always begins with willingness, and that has never been lacking in this club.

As we move toward another busy stretch of the Rotary year, I hope we continue to keep this rhythm of involvement and teamwork. Every small effort adds to the larger work we're building together, and I'm grateful to serve alongside such dependable and dedicated people.

With Rotary fellowship,

ROMER S. SERNA
Secretary, Rotary Club of Tacloban

ROTARY INFORMATION

NEIL M. SIA

President Elect/Vice President, RY 2025-2026

Global Grants

Global grants support large international activities with sustainable, measurable outcomes in Rotary's areas of focus. By working together to respond to real community needs, clubs and districts strengthen their global partnerships.

Read A Guide to Global Grants for detailed information on planning your project, applying for a grant to fund it, carrying it out, and reporting on your progress and outcome.

What global grants support

Global grants can fund:

- Humanitarian projects
- Scholarships for graduate-level academic studies
- Vocational training teams, which are groups of professionals who travel abroad either to teach local professionals about their field or to learn more about it themselves

How they're funded

Global grants have a minimum budget of \$30,000 and a maximum World Fund award of \$400,000. Grant sponsors can use a combination of District Designated Funds (DDF), cash, and/or directed gift and endowed fund program award spendable amounts to fund a global grant. The Foundation will provide an 80 percent World Fund match for all DDF contributions. There is no minimum World Fund match. You can use the global grant calculated or to figure your grant financing automatically.

Qualification

Both the district or club in the country where the activity is carried out and the international partner district or club must first become qualified before applying for a global grant. Learn more about the qualification process and grant management. Your club and district Rotary Foundation chairs can help you plan how to use your District Designated Funds and learn how to qualify your club.

Submitting a successful grant application

Consult with local experts early in the planning process to build a strong project plan and global grant application. The district resource network (see below) can help.

To be approved, your application must clearly describe how your activity:

- Is sustainable — include plans for long-term success after the global grant funds have been spent
- Includes measurable goals
- Aligns with one of Rotary's areas of focus
- Responds to real community needs — any club or district that applies for a global grant to support a humanitarian project or a vocational training team must conduct a community assessment first and design the project based on what they learn through that assessment. Be sure to include the results of your community assessment in your application.
- Actively involves Rotary and community members
- Includes opportunities to build people's knowledge and skills
- Meets the eligibility requirements in the grants terms and conditions

You will submit the application in Rotary's Grant Center. To prepare, you can download this application template. Applications are accepted throughout the year and are reviewed as they're received. If you're working with a cooperating organization, you'll need to submit additional documentation with your application.

Note: Sponsoring clubs and districts must submit their applications by June 30 to the Rotary Foundation for scholars who will begin studies in August, September, or October.
